

St Vincent's ETHOS PROGRAM

THE ETHOS PROGRAM:

Aims to develop a safe, gentle and accountable healthcare system

The Ethos program encourages you to speak up or report when you experience or witness behaviours that undermine a culture of safety.

SPEAK UP OR REPORT

Speak up

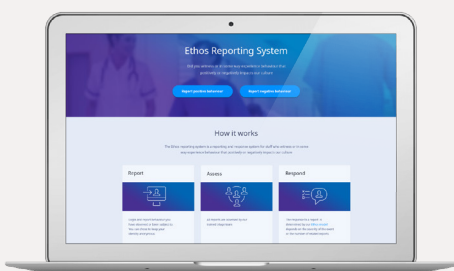

Use the CUSS model for 'graded assertiveness'

- Curious
- Unsure
- Seriously concerned
- Stop!

Report

If you do not feel equipped to speak up, use the Ethos online reporting tool: ethosreport.org.au

For more information go to the intranet
