*Dear Colleagues*

*Many of you would have read the wonderful news in the paper yesterday regarding the award of the MEDAL (OAM) in the General Division of the Australia Day Honours to Sister Anthea.*

*I'm sure you share with me the excitement and pride, and agree there could not be a more deserving person to receive this honour. Not only has she been a tower of strength as a member of the Alumni Committee but also the vital role she plays on our Campus is extraordinary.*

*On your behalf I offer her our sincerest congratulations.*
